

Message from the President

Wow! This is CLSC's 50th season! To commemorate this milestone, the Board has decided that it's finally time to break ground on a groomer barn. Recent donations have allowed us to plan this project hopefully to start this fall. We could still use your help in funding to lessen the amount we need to borrow. Our groomers will benefit greatly when parked inside rather than out in the elements.

Work has already begun on the trails. The next scheduled work party is a bridge rebuild in Clymer, September 8th. Please watch the website and Facebook for updates and volunteer requests.

Another way you can help once the riding season has started is to remind those operating sleds with modified and loud exhaust, that landowners often close trails on their property because of the noise. **Modified exhausts are illegal in NYS.** Riding off designated trails or outside the marker posts are two other reasons for closures. It costs the club thousands of dollars to re-route a trail.

Just a reminder, the maximum speed on any trail is **55 mph** unless otherwise posted.

Winter is on the way.

Ride safe and ride between the stakes.

See you soon,

Chris Jaynes—President

Message from the Activities Coordinator

Welcome to Fall of 2018! While the summer weather has been fantastic, many of our thoughts are now turning to the snow season, its' fun, and activities.

Golf Tournament

To begin with, I would like to thank our sponsors:

2018 Title Sponsor: *Lictus Oil and Propane*

Major Sponsors: *The Mayville Diner,
R & R Property Services and Landscaping,
The Village Restaurant*

Gold Sponsors: *The Maple Group, Digitell Inc.,
Chautauqua Point Golf Club*

These along with our many tee sponsors and prize sponsors, helped make the **5th Annual Chautauqua Lake Snowmobile Club Golf Tournament** a fantastic success! This year we had nine teams competing for some great prizes, and of course bragging rights to the event. Congratulations to *Team Ottaway #1* from Westfield for their 7 under performance. Thanks also goes to Jimmy and Mary Bradford, and staff from *Chautauqua Point Golf Club* for the great location and service. In addition, thanks to Greyson Maloney and Carter Martin for handling the beverage cart and clean up duties.

Mark your calendars now for the **6th Annual Chautauqua Lake Snowmobile Club Golf Tournament** scheduled for August 11, 2019!

Golden Anniversary of the Chautauqua Lake Snowmobile Club

50 years ago, a dedicated group from the community began the journey that we all know as the C.L.S.C. With that in mind, we are looking for suggestions on how to celebrate this milestone in the club's history... Poker/Dice Run, BBQ in the Snow, dance/dinner at the clubhouse or local establishment, dinner ride(s), scavenger hunt. These are some ideas that have been suggested, but we are open to yours! Please send me an email and we will be sure to find an idea or two that will not only be fun, but also recognize *the 50 years we have served our community!*

Lastly, as the 2018/2019 season approaches we are always looking for help with trails, bridges, signing and trail upkeep. Please contact a trail captain, club officer or board member for details. We are looking forward to another great snowmobiling season and we need you, your ideas, your feedback and most of all your support. In season, please be sure to stop me to say "hello" Saturday nights in Mayville, when you see me out grooming.

We are looking forward to seeing you on the trails of the Chautauqua Lake Snowmobile Club!

Marcus Maloney—Activities Coordinator
